*My neighbourhood is peaceful
It's the perfect place to rest
It's easy to relax here
When you are feeling tired or
stressed.
My neighbourhood is pretty
It's the perfect place to stay
You are always very welcome
If you want to get away.*

*I know you would be happy
In my little neighbourhood
I'd be so glad to see you
And the place would do you
good.
The people here are friendly
Everybody wears a smile
Why don't you pack a suitcase?
Come and visit for a while.*

*My street is clean and quiet
And it isn't very wide
It's shady and it's leafy
With tall trees on either side.
My house is warm and cosy
It's attractive and it's new
It's also very spacious
So there's lots of room for you.*
